

## HOUSE NUMBERS

A House Number reveals the energy of the house, it relates directly to the space you occupy and reveals what you can expect while living there.

Address Number	=	<input type="text"/>	Unit Number
____ _			____ = ____
<i>Numbers Only</i>			<i>Overtone Number</i>
<i>(reduce down to a single number; exception 11 &amp; 22 &amp; 33 and beware of karmic debt numbers; 13, 14, 16, 19)</i>			

*\*Note: Your Unit number is considered an overtone Number and should be read as a secondary layer for understanding. You can do a numeric breakdown for your street name as well.*

### House Number Meanings

#### 1 House Number.

Promotes strength, independence and individuality. Ideal for those who wish to stand on their own two feet, be self-motivated and accomplished their goals – live alone or prefer to work from home. Be mindful of competitiveness, aggressiveness and self-centeredness or becoming overambitious.

#### 2 House Number.

Promotes partnership, sensitivity and healing as well as cooperation, compromise and understanding of others. Ideal for couples and those who like nurturing and helping others – love animals or homecooked meals, music, psychic development or home-based healing businesses. Be mindful of heightened emotions, jealousy, codependency and giving too much to yourself to others.

#### 3 House Number.

Promotes creativity, communication and laughter as well as fun, happiness and joy. Ideal for artistic people looking to enhance their creative abilities – love to write, cook, decorate, design, paint, sing, dance or create. Be mindful criticism, gossip, emotional highs and lows and irresponsible behavior.

#### 4 House Number.

Promotes structure, order and stability as well as a solid foundation for your future, creating security. This is an ideal old-fashioned family home that will enable you to commit to your goals. Be mindful that a 4 requires the extra mental, physical and emotional efforts required to get results so it is essential that you work hard and make time for fun and relaxation while living in this home.

#### 5 House Number.

Promotes change, activity and adventure. Ideal for those who like to travel, get the most out of life and full of experiences and excitement to keep you on your toes. Be mindful of overindulgence and erratic or extravagant behavior. Extra Effort will be required to focus and achieve your goals.

### 6 House Number.

Promotes Love, beauty and friendships. Ideal to raise a family and establish close relationships with others; children, animals and gardens thrive as it feels comforting and inviting to all while teaching you about love and beauty and inspiring creating. Also ideal for home-based beauty, child-care, cooking, clothing, counseling or healing businesses. Be mindful of becoming a martyr and over-interfering in others' problems.

### 7 House Number.

Promotes introspection, contemplation and personal growth. Ideal for those who like to relax and spend quite time alone – a place to study, become a specialist in your craft as spiritual growth is inevitable, this home will encourage you to discover your spiritual truth. Also ideal for metaphysicians, healers, analytics, philosophers, reporter doctors, scientists, technicians, teachers, students and loners. Be mindful of challenging vibrations for couples and families, extra communication to stay connected and loved.

### 8 House Number.

Promotes abundance, recognition and power. Ideal for those looking manifestation of wealth and abundance provided you have a positive mind-set, live with honesty and integrity, balance the material and spiritual worlds and develop a healthy relationship with money. Be mindful of fortune reversal, keep your finances in order - don't let money, image or status or power define you.

### 9 House Number.

Promotes wisdom, compassion, tolerance and transformation. Ideal for those who which to serve humanity, community and simply those in need. Also ideal for those focusing on healing and closure as it will encourage you to forgive and heal your past as you'll reach a high level or awareness and understanding. Be mindful of intense and extreme emotions, including impatience and frustration.

## MASTER NUMBER HOUSE NUMBERS

*Just as master numbers apply to people, they apply to the house as well, keep in mind the numbers below as they will give you an idea as to what you can expect.*

### 11/2 House Number.

Promotes higher learning and spiritual wisdom as well as self-love, understanding, healing, spirituality, psychic and personal development. Ideal for attainment of self-mastery and elevated levels of awareness, however many lessons may be encountered along the way.

### 22/4 House Number.

Promotes the ability to build and promote something that benefits the community or humanity. Ideal for bringing ideas into physical form, however your faith, dedication and commitment may be tested along the way.

### 33/6 House Number.

Promotes the ability to heal and uplift everyone who passes through the door. Ideal for those with a love for children, music, beauty, food, entertaining, teaching, laughter, creativity, and the arts as it will amplify your emotions, however, be prepared to deal with your unresolved issues once and for all.

## KARMIC DEBT HOUSE NUMBERS

*Just as karmic numbers apply to people, they apply to the house as well, keep in mind the numbers below as you will want to be mindful of ways to help raise the vibration of the home.*

*Remember: Karmic Debt Numbers represent what you are here to learn. Your inherited weaknesses from previous lives. Areas in need of growth that have yet to be experienced. Note: Karmic Lessons will continually present themselves throughout your life until you master it once and for all.*

### 13/4 Karmic Debt House Number.

It pays to live with honesty and integrity and to face your challenges head-on, avoid quick fixes or shortcuts. Self-discipline, tenacity and drive is needed. It brings opportunity for personal transformation where effort and determination are the keys to success. Use words to uplift people rather than gossip, criticize or complain to raise the vibration.

### 14/5 Karmic Debt House Number.

It pays to exercise temperance and moderation in every area of your life, be mindful of overindulgence. Taking responsibility seriously and honoring your commitments is needed. It brings opportunity for personal transformation where self-discipline and accountability are the keys to your success. Balance your desire for freedom and adventure with your responsibilities to raise the vibration.

### 16/7 Karmic Debt House Number.

Try to reevaluate your core values and eliminate any superficial foundations that don't align with your higher self. Recognize and rise above any ego-driven thoughts and behaviors. It brings the opportunity for personal transformation where humility, honest, loyalty and authenticity are the keys to your success. Focus on your personal development and surrender to the unexpected events in your life to raise the vibration.

### 19/1 Karmic Debt House Number.

Try to admit your mistakes and see other people's points of view regardless of whether they're right or wrong. Consider others' opinions and accept assistance when it's offered. It brings the opportunity for personal transformation where compassion and compromise are the keys to your success. Take other people's wants and needs into consideration as well as your own to raise the vibration.

*\*NOTE: Consider adding a number on the back of the door to change the calculated number of your home.*
